Started in 1987 ...

A group of former students of Canossian Schools in Hong Kong had one goal in mind: to keep the Canossian spirit ablaze in British Columbia. By the Grace of God, their idea came into fruition and the Canossian Colleges Alumnae Association (CCAA) was incorporated on May 27, 1987.

CCAA serves as the bridge for former students, teachers, and friends of the Canossian schools in Hong Kong and Macau to reconnect with old friends and establish new contacts. With the generous donations of our member, the CCAA is also active in our community, supporting different charitable organizations and meaningful causes.

THE PURPOSES OF CCAA

The purposes are to promote the interests of the Association, the well-being of the members, the educational, cultural, athletic, community and recreational endeavors of every nature and kind and to make grants and awards of scholarships for meritorious achievements. Further, the activities of the Association are to be carried on without purposes of gain or profits for members and the organization.
